DEPARTMENT OF MINES AND GEOLOGY.

Notification No. 1366, *dated* 11*th December* 1917.

It is hereby notified for the information of the public that sealed tenders will be received at the office of the Director, Department of Geology, up to the 15th January 1918, in respect of the right to collect corundum in the Sidlaghatta Taluk, Kolar District, owing to the default on the part of the highest bidders in the sales held by the Treasury Assistant Commissioner, Kolar, on 2nd April 1917 and 23rd June 1917, to fulfil the terms of the sales.

2. The tenders should be submitted on printed forms which may be obtained from this office, and superscribed "Tender for collecting corundum in the Sidlaghatta Taluk."

3. Each tender should be accompanied by a fee of rupees ten and the deposit of the amount of the minimum royalty which the tenderer is prepared to guarantee for a period of one year at Rs. 4 per candy of corundum removed.

4. Under ordinary circumstances, the tender of the person, who guarantees the highest amount of minimum royalty will be accepted. Provided that the Government reserve to themselves the right to reject the highest or any tender without assigning any reason whatever for the rejection.

5. The successful tenderer will be granted a license to collect corundum in the said taluk under the rules published under Notification No. G. 2939—Geol. 8-15-16, dated 29th August 1916.

6. The period for which the license will be granted shall be one year from the date thereof.

7. If any person other than the owner of Survey No. 69 of Neradaguntahalli village of the said taluk happens to be the successful tenderer, the Government will acquire the surface right of the land in question and include it in a prospecting license to be granted to that person.

8. No corundum shall be removed from the licensed area without a written permit from the Amildar of the taluk. When the licensee wishes to remove any corundum which has been collected, he should forward to the Amildar a statement showing the amount of corundum collected from the licensed area, together with the royalty due on the total quantity and request permission to remove the same from the place where it is to some specified destination.

The Amildar may thereupon grant the permit required, taking such steps as he may consider necessary to satisfy himself of the correctness of the quantity to be removed.

9. If the total royalty paid during the term of the license at the rate of Rs. 4 per candy exceeds the amount deposited according to para 3, the amount of the deposit shall be returned to the licensee upon the termination of the license. On the other hand, if the royalty paid during the term of the license is less than the guaranteed minimum, the deficit shall be made good from the amount deposited and the balance returned to the licensee.

10. The return of the deposit according to para 9 is subject to the due fulfilment on the part of the licensee of the terms and conditions of the license.

11. Tenders which are not accompanied by the necessary fee and the deposit of the guaranteed minimum royalty will not be taken into consideration.

12. On acceptance of one of the tenders, the fee and deposit received in respect of the rejected tenders will be duly returned to the tenderers.

M. VARADAIYA,
For *Officiating Director*,
Department of Geology.

MYSORE STATE TROOPS.

Notice dated 18*th December* 1917.

Sealed tenders for the supply of good and cleaned kulthi required for the horses, etc., at the Kunigal Stud Farm for 1917-18, will be received up to 2 P.M., on Wednesday the 16th January 1918, in the office of the Chief Commandant, Mysore State Troops, Cubbon Park, Bangalore.

Conditions.

1. About 2,000 pallas of kulthi will be required, which may be supplied at 170 pallas a month or the whole lot at once before the end of February 1918.

2. The kulthi is to be delivered at the premises of the Government Stud Farm, Kunigal.

3. Every tender should be accompanied by currency notes for Rs. 500, which will be forfeited to Government, if the tenderer, whose tender is accepted, fails to execute an agreement for the due fulfilment of the contract or, to make the deposit as specified in para 4. If the tender is not accepted the amount will be refunded.

4. The successful tenderer will be required to execute an agreement for the fulfilment of the contract and to deposit Rs. 1,000. The execution of the agreement and the production of the deposit amount shall be completed within fifteen days from the date of the declaration of the acceptance of any tender.

5. The contractor will supply the quantity of kulthi as noted in para 1 of the notice, or according to the indent of the Superintendent, Kunigal Stud Farm, and obtain receipts therefor from the Superintendent and present his bills once a month for supplies made by him during the month to the Superintendent, who will check and submit them to the Chief Commandant for payment.

6. Should the contractor fail to comply with any of the conditions detailed above his contract will be forthwith cancelled and the deposit credited to Government.

7. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reasons therefor.

8. The quantity mentioned in para 1 is only the probable requirement of the Farm and the Stud Farm is in no way bound to take the full quantity. The contractor should supply more or less as the case may be without claiming any compensation therefor.

J. DESARAJ URS, COL.,
Chief Commandant,
Mysore State Troops.

Notice dated 15th December 1917.

Sealed tenders for the supply of good and cleaned grain required for the ponies and bullocks of Imperial Service Transport Corps and harness horses of the Government Stables at Bangalore and Mysore, will be received up to 2 P.M., on Saturday 26th January 1918 in the office of the Chief Commandant, Mysore State Troops, Bangalore. The contract for the said supply will be from 1st March 1918 to end of February 1919.

Conditions.

1. One tender for each station, whether for kulthi or crushed chenna may be given at the option of the tenderer; but the tender should show clearly the rate at which the grain can be supplied at Bangalore and Mysore, respectively, throughout the year. The crushed chenna and kulthi for the animals of the Transport Corps and Government Stables at Bangalore should be supplied to the Commanding Officer of the Corps at the lines near Munireddipalayam, and kulthi for the animals stationed at Mysore to the Jamadar, Government Stables, at the Government House, Mysore.

2. Every tender should be accompanied by currency notes for Rs. 300 which will be forfeited to Government, if the tenderer, whose tender is accepted, fails to execute an agreement for the due fulfilment of the contract as specified in para 3. If the tender is not accepted the amount will be refunded.

3. The successful tenderer will be required to execute an agreement for the fulfilment of the contract, and to deposit Rs. 2,500 for Bangalore and Rs. 500 for Mysore. The execution of the agreement and the production of the deposit amount shall be completed within a week from the date of the declaration of the acceptance of any tender.

4. The contractor at any station, will, if necessary, be required to supply the grain at the contract rate for the horses, ponies, bullocks and mules of the Corps and Stables leaving that station for manœuvres or other duty, in sufficient quantity to last until their return to Headquarters.

5. The contractor will supply within one month from the date of acceptance of the contract, the quantity of kulthi sufficient to last for three months and the remaining quantity of the same and the required quantity of crushed chenna according to indents of the Commanding Officer at Bangalore and obtain receipts therefor from him; and in the case of animals kept at the Government House, Mysore, quantity of kulthi according to the indents of the Jamadar, Government Stables, Mysore.

6. In the case of daily supply the contractor will present bills once a month for supplies made by him during the month to the Commandant and Superintendent, Government Stables, respectively, who will check and submit them to the Chief Commandant, Mysore State Troops.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit credited to the Government.

8. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.

9. Probable quantity required if the Imperial Service Transport Corps returns from the Field service will be—

At Bangalore for Transport Corps animals and harness horses, etc., 1,120 seers of kulthi; crushed chenna 1,500 lbs. daily.

At Mysore kulthi 100 seers per day.

Otherwise, the probable quantity required for the Depot only would be—

At Bangalore for Transport Corps animals and harness horses, etc., 990 seers kulthi and 750 lbs. chenna daily.

At Mysore 100 seers kulthi daily.

Note—(1) The abovementioned quantities may be altered should any necessity arise for feeding the animals of the corps on full ration of any one of the 2 grains named. In that case the contractor will be bound to supply the required quantity of each of the grains.

Note.—(2) The contractor should deliver the supplies in his own carts; no Government carts would be lent for this purpose.

Notice dated 15th December 1917.

Sealed tenders for the supply of good and cleaned grain for the horses, ponies and mules of Mysore Cavalry Regiments, required for one year at Bangalore and Mysore, will be received up to 2 P.M., on Saturday the 26th January 1918, in the Office of the Chief Commandant, Mysore State Troops, Bangalore. The contract for the supply of grains will commence from 1st March 1918.

Conditions.

1. One tender for each station whether for kulthi or chenna should be given at the option of the tenderer, and the tender should show clearly the rate at which the grain can be supplied at Bangalore and Mysore, respectively, throughout the year.

2. Every tender should be accompanied by currency notes for Rs. 500 which will be forfeited to Government, if the tenderer, whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract as specified in para 3. If the tender is not accepted the amount will be refunded.

3. The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender for the fulfilment of the contract, and to deposit Rs. 4,000 for Bangalore (Rs. 2,000 for kulthi and Rs. 2,000 for chenna), Rs. 2,500 for Mysore. The amount deposited will be returned to him on the fulfilment of the contract at the end of the term. The execution of the agreement and the production of the deposit amount shall be completed within a week from the date of the declaration of the acceptance of the tender.

4. When horses, ponies or mules leave any station for manœuvres or other duty the contractor at the station will, if necessary, be required to supply in sufficient quantity the grain needed at the contract rate until their return to Headquarters.

The cart hire and other extra charges on such occasions should be borne by the contractor himself, if the number of animals leaving the station is not less than 6.

5. The Squadron Commander of each regiment will indent on the contractor for the quantity of the grain (cleaned as described above) required per day and the contractor will supply the quantity indented for daily at the Sowar lines at Bangalore and Mysore and obtain receipts.

6. The contractor will present his bills once a month for supplies made by him during the month, to the Commanding Officer at any station who will arrange for payments of the amount due to the contractor.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government.

8. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.

9. Probable quantity required at Bangalore, if the Imperial Service Regiment returns from the Field Service 1,500 seers of kulthi and 2,200 lbs. chenna daily. Otherwise, the probable quantity required for the depot of the regiment would be 1,000 seers of kulthi and 1,800 lbs. chenna daily.

At Mysore:—

Kulthi 2,000 seers per day.

N.B.—Should any necessity arise for feeding the animals of any regiment on any extra quantity of the grain, the contractors should be prepared to supply the required extra quantity.
